

**"Infoscout" – Visitor Information System**

Information about your company, as provided on Forms 1.10 to 1.30, will be made available to interested visitors at the information stands in the halls during the trade fair.

In addition, you may use Koelnmesse's "Infoscout" electronic information system to publish **vacancies for trade representatives**.

Exhibitors and visitors can use the "Infoscout" system free of charge.

**"Infoscout" can provide visitors with the following information:**

- **Which exhibitor is showing products XY?**

"Infoscout" takes this information in your application forms 1.10 to 1.30. Our urgent request to you: based on the list of products please check whether the information you originally supplied on application forms 1.10 to 1.30 is still up-to-date and inform us about any possible alterations or additions.

**Additional information is only necessary if the goods you intend to exhibit have, in the meantime, changed.**

- **Where do I find company XY?**

Here again "Infoscout" uses the information provided on your application forms 1.10 to 1.30. Please check whether all companies represented by you or exhibiting with you have been registered. In addition, in order to make searching easier we will allocate a further three search keys for your company.

We have already made this information available to "Infoscout".

**If you wish to publish vacancies for trade representatives we require the following information:**

- **Where does a trade agent find firms who are still looking for representatives in several regions?**

You can provide this information in German, English or French. For a specific product, as defined in the list of products, you can enter the desired national code/postal code and a freely variable text.

The recording capacity here is limited to a maximum of 14 national codes, max. 10 postal codes, max. 14 product numbers and max. 407 letters in freely variable text.

Possibly the CDH – Central Federation of German Trade Agents and Merchant Brokers Associations – will write to you separately about this question.

Should the available number of entries be insufficient for your requirements, please request separate additional forms. Please take into account the above-mentioned capacities.

**Supplementary to this information in "Infoscout", the system can provide answers to the following questions:**

- Service facilities in the exhibition centre including the open restaurants
- Cologne restaurants and pubs
- Wanted persons announcements
- Lost / Found
- Supporting events
- Congresses
- Seminars
- Company events

**Please do not forget to include your customer number on every form. You will find it on your stand confirmation note.**
